

GRENADE

BY L'EPEE 1839 x Alex Moss

Inspiration

L'Épée 1839 x Alex Moss Grenade is not just any ordinary timepiece; It is an artistic object that dares us to embrace the present moment and seize life's opportunities.

This exclusive collaborative collection shatters conventions by seamlessly fusing the realms of horology and jewelry craftsmanship.

About Alex Moss

Alex Moss is a New York Jeweller with the desire to break the mold. He has become one of the most in-demand names in the small, competitive world of diamond-dense custom jewelry, a niche occupied by players like Greg Yuna, Eliantte & Co. and Avianne & Co.
