

Take Two

A dual review of what's new

Cindy Crawford

All-American supermodel, Taylor Swift's "Headmistress" and the face that launched a thousand beauty brands, whose new coffee-table book, "Becoming," chronicles her life and career in fashion.

Arachnid Clock

An 18-karat gold-plated timepiece by MB&F, inspired by a Louise Bourgeois sculpture (\$18,000, mbandf.com).

I'm not a fan of spiders, but I wouldn't mind having this one. When I see a real one, I don't scream or freak out — I just call for my husband or my son. I don't know what to do with them. Don't ask, don't tell.
